		if you use Mr. Brunick's intended
		design thickness of 0.10 inches."
106	1	Change to "Yes, if your basis
		is the CAD file and not the
		intended design thickness."
106	25	to be at" if the CAD file
		is your basis. Again, this is not
		the intended thickness of 0.10 inches
		as stated by Mr. Brunick."
